RISK DISCLOSURE STATEMENT

WCMS Investment Solutions Pvt. Ltd.

1. Purpose

This Risk Disclosure Statement informs users, investors, business owners, lenders, subscribers, event participants, and stakeholders of risks associated with fundraising, investment opportunities, business transactions, and related activities facilitated through WCMS IS.

2. Nature of WCMS IS Services

WCMS IS operates as a business facilitation, aggregation, education, networking, and ecosystem development platform and does not guarantee the outcome of any transaction.

3. Investment Risk

All investments involve risk, including partial or total loss of capital, illiquidity, delayed exits, lower-than-expected returns, and business failure.

4. Fundraising Risk

Funding is not guaranteed. Investor interest, valuation expectations, and fundraising timelines may vary.

5. Business Risk

Business performance may be impacted by market conditions, competition, regulatory changes, operational challenges, economic conditions, and management decisions.

6. Liquidity Risk

Investments in private companies, startups, SMEs, and alternate assets may not have an active secondary market and may require extended holding periods.

7. Regulatory Risk

Changes in laws, taxation, RBI, SEBI, MCA regulations, and government policies may affect business operations and investments.

8. Information Risk

Information provided by third parties may contain inaccuracies or forward-looking statements. Independent verification is recommended.

9. Technology & Cyber Risk

Digital platforms may face system failures, cyber incidents, unauthorized access, or data breaches despite reasonable safeguards.

10. No Guarantee of Returns

WCMS IS does not guarantee returns, capital appreciation, business growth, IPO opportunities, funding success, or exit opportunities.

11. Independent Professional Advice

Users are encouraged to seek independent legal, financial, tax, accounting, and investment advice before making decisions.

12. Limitation of Liability

WCMS IS shall not be responsible for losses arising from investment decisions, fundraising activities, business transactions, third-party actions, or reliance on information shared through the platform.

13. Acknowledgement

By engaging with WCMS IS, users acknowledge that they understand and accept the risks described in this statement.

14. Regulatory Clarification

WCMS IS operates as a facilitation and aggregation platform and does not accept, hold, manage, pool, deploy, or guarantee investor funds, nor undertake regulated activities requiring registration unless specifically stated otherwise.
